# Spring Spree

## ONE Week Full of Fun

**By Emily Cook, Editor**

Spring is always an exciting time to get out doors and enjoy the nice warm weather after winter. For EC students, it also means Spring Spree is just around the corner.

Spring Spree is a week filled with activities. Teams are chosen, names are decided and by the end of the week there will be a Spring Spree champion.

Games include relay races, volleyball tournaments and so much more. Along with the games come other activities too. A "Jungle" dance was hosted in South campus gym for students to attend. Baseball and softball games are still going on for students to come out and watch. There is also an all-you-can-eat crawfish boil at the pavilion for all students.

The atmosphere is light and fun throughout the week of activities. While the competitive edge is in the air, it is all fun and games for students. It is a great chance to meet and become closer to fellow students.

Spring Spree isn't just about the games, sun or different people competing for one thing. It is all about tons of people coming together as a "family" and intertwining with one another to enjoy a full day of sunshine and the cool breeze together! The only thing that truly matters is EC always shows "Excellence with Class" even while having fun! "WE CAME, WE SAW, WE CONQUERED!"

# Campus Housing & Commuters

ONE Home

By KAYLEE YATES & MADELON TAYLOR, Staff Writers

East Central Community College is dedicated to offering the best in housing facilities. The campus has a total of seven dorms, three female and five male. The three female dorms include Barber Hall, Jackson Hall and Leake Apartments. The five male dorms include Neshoba, Todd, Newsome, Winston and Scott halls. All together the dorms have a total of 278 rooms and are well equipped with all the necessities for the students need to live.

Erma Lee Barber Hall, the newest dorm for females, has 64 rooms and includes a kitchen, a lobby and a laundry room. There are also study rooms for students who need a peaceful environment to crack open the books. The other

female dormitory is Jackson Hall. It includes all the same amenities as Barber Hall. Leake Apartments is designated as the sophomore honors dorm and students must have a 3.0 grade point average to apply for this apartment building.

Winston and Todd halls are very similar to the female dorms' setup. Together, the two dorms have 71 rooms. Each room is accessible to the school's wireless Internet. The two dorms are positioned side-by-side and share a laundry room. Male athletes live in Newsome, Neshoba and Scott halls along with other male students. Most athletes are required to live to campus. They are assigned to one of these dorms according to which sport they play. There are many opportunities available for

students choosing to live on campus.

If a student chooses not to live on campus, commuting is another option. Commuters are the students who live at home and drive back and forth from home to school. Many students enjoy being able to return home after being finished with classes.

Sophomore commuter Allison Johnson of Philadelphia said, "I love the luxury of living at home while attending a college that is only 30 minutes away and still have plenty of opportunities to be involved in campus activities."

Sophomore commuter Jenny Grove of Forest, who lived on campus her freshman year, said, "I

enjoyed living on campus because of all the friendships I made in the dorm. I was also very involved in school activities. However, I also enjoy living at home. I get to spend more time with my family and I am still involved with activities so there isn't much of a difference. So overall, I was happy when I lived in the dorm and when I commuted."

Whether a student chooses to live on campus or commute, it is beneficial to both him or her and the college.

# Welcome Back Week 2014

## ONE Big EC Welcome

**By Allison Johnson, Staff Writer**

The beginning of a school year is not usually something that most people look forward to. The beginning of a school year means that all fun must come to an end, right?

It means that you have to go to bed at a decent time, wake up early, make time for class, do homework, study and probably attend a lot of boring events such as meetings. At East Central Community College this is not true. EC makes going back to school as painless as possible.

In the fall semester, the Student Body Association at EC hosts Welcome Back Week. Welcome Back Week is packed full of events that are designed to encourage students to have fun, meet new people, get involved with clubs and organizations and make memories that will last a lifetime. This series of events helps EC's students to feel at home in a new and not so familiar place. Sophomore Student Body Association President Leah Ferguson said, "Welcome Back Week is a great way for freshmen and sophomores to get ready for the new school year! With all the events that are planned there is something for every student to enjoy."

This year kicked off with an Ice Cream Social and a slip-n-slide held at the Pavilion. This event allows students to make new friends or be reunited with old ones while they enjoy a delicious treat and have a fun time.

The next night there was a Picnic with the President. This event allows students to become familiar with their college president and network with other staff and students.

On Wednesday of Welcome Back Week, Clubs Unite Night was held at Brackeen-Wood Gymnasium. This is an opportunity for students to view all the organizations that the school has to offer. Students can sign up for clubs and meet members and sponsors.

Thursday night the annual Foam Dance Party was hosted at Brackeen-Wood gym parking lot. This event is a lot of fun for all who attend. There is good music and a lot of foam to play in.

# Homecoming Week

## ONE Big Celebration

By **EMILY COOK, Editor**

Homecoming is familiar territory for the students and alumni at East Central Community College. While there are many traditions that we look forward to each year, Homecoming is memorable in itself whether it's a new event, new face, or just a new year. With a different event scheduled every night, the East Central Homecoming celebration builds throughout the week.

The East Central Collegians kicked off Homecoming week with a concert on Monday night. As people crowded around, the Collegians performed many crowd favorites such as "Ain't It Fun," "Leave the Night On" and "Old Time Rock and Roll".

Bright colors were all to be seen Tuesday night as everyone dressed for the RAVE held in South Campus Gym. Glow sticks, face paint, and neon-colored shirts danced around in the dark while the DJ kept the music going.

The FCA hosted Wednesday night's festivities. Fields of Faith was held in Brackeen-Wood Gym with guest speaker Jason Willis, former East Central and Yankees baseball player.

Homecoming week wouldn't be complete without the annual Pep Rally held on Thursday night. The football field stands filled quickly to see the performances by the Wall O' Sound Marching Band, Centralettes and Cheerleaders. The Homecoming Court made its first appearance, as the members were introduced onto the field. The excitement from the week built as Homecoming Day approached. The biggest part of the celebration was yet to begin.

## ONE Golden Honor

By **EMILY COOK, Editor**

East Central Community College's campus is a bustle of excitement throughout the week, but nothing can compare to Homecoming Day. All morning there are events to attract fans, students, and alumni to the campus before the football game begins.

The big day kicks off at 7:30 a.m. with the Phi Theta Kappa's annual 5k run/walk along with one-mile fun run for kids. At nine, the alumni registration begins near Founders Gymnasium. Ovid Vickers, a retired ECCC English instructor, was present during the registration period autographing copies of his recently published book, *The East Central I Knew: A History of East Central Community College*.

The Memorabilia Room in Burton Library was open for those interested in viewing the "This is Home: Medgar Evers, Mississippi and The Movement" exhibit, which was on display. Tours of the recently renovated and reconstructed Cross Hall were also made available for interested viewers.

Former Diamond Warriors were invited to participate in the biennial ECCC Alumni Baseball Game at the Clark/Gay Baseball Complex beginning at 10:30 a.m.

The Alumni Association Awards Luncheon got under way at 11 a.m. in Mabry Memorial Cafeteria. This annual event is highlighted by the recognition of alumni of the year and athletic Hall of Fame inductees.

Members of the 1964 Class received 50th Anniversary Diplomas from ECCC President Dr. Billy Stewart during a special ceremony at 1:30 p.m. in the Brackeen-Wood Physical Education Building.

Other activities scheduled for Homecoming Day included the Lil' Warrior Kid Zone, from 1 p.m. to approximately 4 p.m. at Bailey Stadium, and Warrior Club tailgating and annual meeting held at 1 p.m. on the deck inside Bailey Stadium.

The East Central Warriors hosted Jones County Junior College at Bailey Stadium. The Homecoming court was announced at halftime along with the crowning of East Central's new Homecoming queen. Following the presentation of the Homecoming court, the Wall O' Sound Marching Band took the field with its halftime performance. This wrapped up another beautiful EC Homecoming, with excellence and class.

# The EC Theater

## ONE Movie After Another

By LILLIE SHULER, Staff Writer

This school year, East Central Community College's Student Body Association worked hard to add various new events on campus that the student body would enjoy. One of the new activities held was the college's Movie Night.

"Dr. (Billy) Stewart (ECCC President) started movie night to have students come together and to have more activities on campus," said Director of Housing and Student Activities Kristi Smith. "It has been a huge success. The kids enjoy it and it's free!"

The Movie Nights were held in the Vickers Fine Arts Building once a month on Tuesday nights at 7 p.m.

Many of the college's clubs and organizations were asked to host a movie night. Phi Theta Kappa showed the movie "God's Not Dead." The Wall O' Sound Marching Band showed two different movies on two nights, "LEGO" movie and "Guardians of the Galaxy." "Heaven is for Real" was shown by Warrior Corps. "The Blind Side" and "The Game Stands Tall" were shown by the Student Body Association. ENCORE showed "The Wizard of Oz." SkillsUSA also showed two different movies on different nights, "Captain America" and "The Winter Solider." "Passion of the Christ" was shown by the Baptist Student Union. Students Against Destructive Decisions showed "Unbroken." Culinary Arts showed "Ratatouille."

Sophomore Caleb Stallings said he enjoyed the Movie Night.

"I saw 'God's Not Dead' and loved it," Stallings said. "I thought it was a great example of the unwavering faith you should have and how to conduct yourself in times of persecution."

Freshman Kaylee Yates said, "I always enjoyed going to movie night. The night I went we watched 'When the Game Stands Tall.' It is a movie based around football and God, two of my favorite things."

Yates said she enjoyed having a new student activity for the student body.

"Movie Night always gave me the opportunity to hang with friends without going off campus. It was very convenient and fun," she said.

All movies shown were loved by the crowd of students, Smith said. There is hopes that Movie Night will become an ECCC tradition.

# Witches, Werewolves & Warriors

## Oh My ONE Scary Sight

By MADELON TAYLOR & KAYLEE YATES, Staff Writers

Throughout the week of Halloween, East Central Community College's campus participated in various activities. From dressing up in classes for extra credit to helping the town of Decatur with Treat Street, students had various opportunities to join in all the festivities. All around EC, everyone could feel a "spook-tastic" atmosphere filled with Witches, Werewolves, and Warriors!

Several classes participated in Halloween by dressing up in costumes. The music and science departments were very active in Halloween participation.

Amy Denson's general and organic chemistry classes dressed up as zombies and hosted a "zombie party" in her laboratory on Halloween morning, which included a fog machine. Denson's organic class also dressed up in their costume of choice.

Biology classes were given an opportunity to dress up during their class meeting on Halloween week to earn extra credit.

In the Fine Arts Department, various teachers also allowed their students to dress up in costume of choice to get in the "Halloween spirit." Overall students as well as teachers enjoyed these activities; which gave students and teachers an opportunity to step out of the daily routine of tests and lectures and allow some fun.

The East Central Daycare students went trick-or-treating throughout campus and enjoyed a Halloween Carnival hosted by the college's Culinary Arts Technology program.

Many East Central organizations participated in downtown Decatur's annual "Treat Street" this year. SBA, Warrior Corps, SADD, SEA, Alpha Alpha Epsilon, Phi Theta Kappa, and Diamond Darlings each had various booths. There was a huge turnout of children dressed in their Halloween costumes. Whether it was Disney princesses, transformers, minions or heroes, children were lining the streets eager to get candy. Overall, the night was crazy but very successful.

East Central coordinated a Halloween Band, branched from the EC Wall O' Sound Marching Band, just for Halloween. The band was conducted by Assistant Band Director Ed Girling. During the week of Halloween, the band held a performance in the Vickers Fine Arts Auditorium featuring various Halloween songs. Each member of the Halloween band also dressed up in their costume of choice for their own costume contest. Overall, the Halloween band performance was a success.

## ONE Spooky Night

By EMILY COOK, Editor

Zombies and mysterious fairy tale creatures made their way out to help kick off basketball season at East Central Community College on Oct. 29, 2014. The night would take the excited fans through many different spooky scenes before ending back at East Central. While hot wings were being prepared, students prepared for a pep rally like no other.

The spring athletes were introduced to kick off the night, then shortly followed by a reawakening routine from the "undead" cheerleaders. The zombies danced, tumbled, and stunted in their bloody and torn clothing. The painted faces gave the crowd goose bumps as the night wore on. However, the night was just getting started as more scary scenes were yet to come.

After being introduced, the women's basketball team took the floor for a 10-minute scrimmage.

The Centralettes followed, as they took the crowd to a tea party in a different setting. The East Central gym faded away into a Wonderland of White Rabbits, Cheshire Cats, Queens of Hearts, Mad Hatters and of course, Alice.

Sophomore Centralette Jessica Moffett said, "It was definitely a night you won't forget. It was magical, fun and made you feel like you

actually went through the 'Rabbit Hole' with us."

From teacups and tables to high kicks and dance moves, the girls had captured the audience's attention. With a final "Off with their heads!" from the Queens of Hearts, the pep rally continued with more spooky characters

to come.

Next was the Halloween costume contest. Halloween characters from all ages came forward to participate. From cute to scary, the costumes were galore.

A final 10-minute scrimmage was for the Warrior basketball team. The crowd cheered on the team as they scrimmaged against one another.

As the Halloween festivities came to an end, the crowd stood in line at the concession stand for hot wings, catered by Valley Food Services. The eating and fellowship among students continued as the crowd slowly faded out.

The pep rally filled the school with chills and thrills, but mostly got everyone excited for the upcoming basketball season.

# Fall Festival 2014

## ONE Fall Day

By MADISON BARNETT, Staff Writer

The Student Body Association (SBA) hosted a Fall Festival in the South Campus Gymnasium on Nov. 18, 2014. Students enjoyed a fun-filled afternoon of food, cakewalks and adventurous games.

Clubs volunteered to provide fun, food and games for students around campus, including some include Native American specialties, sweets and chili. SBA held a bake sale and raffle for a basket from a local company.

Games and events included Wipeout, Meltdown, Stickball, Twister, a cakewalk and beanbag and toilet paper tosses.

Some of the many clubs that participated with the activities were Warrior Corps, Student Publications, SBA, the Native American Club and the Baptist Student Union.

# Cultural Art Series

## ONE Art

By ALLISON JOHNSON, Staff Writer

The inaugural season of East Central Community College's Cultural Arts Series began in February 2015. This season two individual artists and one group of artists were showcased. The Cultural Arts Series at ECOC began as a way to bring performing artists and visual artists to the campus throughout the year for both EC students and the community, according to Fine Arts Department Chair Vicki Blaylock.

"Throughout the years, there have been visiting artists come to East Central and perform for our music majors. I couldn't help but notice the enthusiasm and interest that our students displayed when a visiting artist performed for them. I hope through the effort of the Cultural Arts Series we can afford all the students at East Central, not just the music majors, an opportunity to enhance their education by providing these cultural opportunities," Blaylock said.

As the commencement of the inaugural season of EC's Cultural Arts Series, the Fine Arts Department hosted visual artist Gary Walters on Feb. 17, 2015. Walters presented a "gallery talk" in the lobby of Vickers Fine Arts Center. The artist's work hung in the lobby of Vickers Fine Arts Center February 16 through March 6, and was available for public viewing.

Walters is a Christian artist and a native of Jackson. During the past 45 years, Walters has had numerous one-man shows. He has also taught art for Mississippi College, Mississippi State University, Hinds Community College, Belhaven University and many workshops on painting. In 1993, he was honored as the Art Alumnus of the Year for Mississippi College. He is represented in many public and private collections throughout the U.S. and several foreign countries. Walters has been featured in *Mississippi Magazine*, *Delta Magazine*, *The Clarion Ledger*, *Scope Magazine*, *WLBT*, *VIP Magazine*, and others. Quail Ridge Press published Gary's book, "Gary Walters: Delta Dreamin,'" in October 2008. Walters was honored in 2009, by the Mississippi State Senate with a concurrent resolution for bringing honor to Mississippi through his paintings and his book. In 2010, Walters was honored by his high school in Deer Park, Texas, by being inducted into the Felton F. Waggoner Hall of Honor.

As the second event of series, the Fine Arts Department hosted the Jackson State University Jazz Ensemble March 3, 2015, in Huff Auditorium.

The JSU Ensemble is under the direction of Dr. Russell Thomas Jr., professor of music and Director of Jazz Education (shown in photo). The group has received many honors and awards and has performed at various venues throughout the region, including the New Orleans Heritage and Jazz Festival. Many internationally known jazz personalities have been featured in concert with the JSU Ensemble. Among the most noteworthy have been the Count Basie Orchestra and Dizzy Gillespie.

In the third event of the series, Carol Vickers presented "The Culture of a Community as Reflected in its Quilts" on March 18, 2015. The program was sponsored in part by the Mississippi Humanities Council. Vickers has been a quilter throughout her adult life and has always had an interest in the history of quilts and quilters, having spoken numerous times on this topic. In recent years, she has expanded her interest to include vintage linens. In 1984, Vickers and her mother were invited by the Mississippi Department of Archives and History to represent the Mississippi quilters in the Mississippi Pavilion at the New Orleans World's Fair where they quilted and discussed quilting with fair visitors. In 1994, she was appointed chairman of the Mississippi Heritage Quilt Project, which resulted in the documentation of more than 1,600 quilts made prior to 1945. The project resulted in the publication of three books: "Mississippi Quilts," "Threading the Generations," and "Martha Skelton Master Quilter." She co-authored "Threading the Generations" and wrote the introduction to "Mississippi Quilts." She is also the author of "The Llama's Pajamas," a book about quilts for children.

Vickers is a graduate of EC and holds a master's degree from the University of Southern Mississippi. She taught 32 years in the public schools of Newton County and EC. She and her husband, Ovid, are the parents of three grown children and reside in Decatur, where she continues to quilt and research the history of quilts and quilting.

# Intramural Sports

## ONE Fun Program

By MATT FERGUSON, Staff Writer

East Central Community College offers a variety of intramural sports to students.

These sports include:

co-ed softball, flag football, basketball, soccer and ultimate Frisbee. Intramural football, softball and basketball are held during the fall.

Intramural soccer is offered during both the fall and spring semesters. Ultimate Frisbee is offered during the spring.

Tyler Patrick of Morton, who has participated in almost every intramural

activity offered, said, "I like playing intramural sports a lot. It gives me a chance to just get all

of my friends together in a fun, competitive atmosphere."

These activities are enjoyed by many students and are campus-wide events. Students who take part in intramural sports enjoy spending time with one another and playing sports they might have not played since high school. It allows them an opportunity to exercise while spending time with friends.

# Warrior Wonderland

## ONE Christmas Night

By LILLIE SHULER, Staff Writer

East Central Community College hosted its inaugural Warrior Wonderland in December. Warrior Wonderland was a fundraiser for the college's club and organizations. The public was invited to attend following the Decatur Christmas parade.

The event offered many festivities such as: photos with Santa, food, movies and games. The photos with Santa were hosted by Student Publications and free to the public. Special performances by the Wall O' Sound Marching Band, Ac'cents show choir, Collegians rock 'n roll band and Concert Choir could be heard all throughout the campus. Bounce houses and carnival rides were offered with a purchase of an armband.

Dr. Billy W. Stewart, ECCC President, said, "I would like to recognize and thank Ms. Kristi Smith, Dr. Stacey Hollingsworth, and Ms. Stephanie Stewart for their leadership in planning this new, community-wide event

for East Central Community College. Planning an activity of this magnitude for the first time is difficult, and I appreciate their willingness to work together to coordinate the event on behalf of our college. I also want to thank our students. East Central is blessed with a wonderful student body. I appreciate each one of our students who assisted in sponsoring the event for our community."

Many students liked the idea of this event becoming an annual festivity for the college. Specialty booths were set up by campus clubs and organizations, including one themed after the popular Disney movie "Frozen." Another booth sold fried Oreos, which were a crowd favorite. Other popular aspects of the event included the live Nativity scene and hay ride.

It was estimated that more than 200 people attended the event and it was said to be a "hit" with the community.

A 2013 graduate of Nanih Waiya Attendance Center, Warner Parkes is an active part of East Central Community College's student body, participating in various campus organizations and clubs as well as being a member of two of ECCC's athletic teams.

He served as president of Warrior Corps for 2014-15 and of the Student Education Association his freshman year. Parkes was elected treasurer of the Student Body Association, freshman class favorite and was a homecoming court escort.

He is a member of Students Against Destructive Decisions, Phi Theta Kappa International Honor Society and President's Council. Parkes is an active participant in intramural sports, serving as a referee for flag football in 2013-14.

In addition, Parkes is a member of the Warrior Cheerleader Squad and serves as basketball statistician and student assistant for the Warrior basketball teams.

A President's List scholar, Parkes was selected Mr. ECCC by his peers and was chosen as a

member of *Who's Who Among American Community & Junior College Students*.

Parkes was awarded the Presidential, ACT and Mississippi Association of Supervisors' scholarships.

A sophomore optometry major, Parkes is the son of Tammy and Luke Parkes of Nanih Waiya.

Those nominating Parkes said he "epitomized involvement ever since stepping foot on campus."

"His leadership in Warrior Corps and SBA has been instrumental in helping ECCC accomplish one of its most successful student activities years ever."

He was described by nominators as "dependable," noting that his participation is "a given" in all campus activities, and one said Parkes seems to have "done it all."

Multiple nominators described him as an "exceptional" student ambassador for the college.

"Warner is and always will be a great ambassador for the college and truly loves ECCC."

## Caleb Stallings

Caleb Stallings, a sophomore pre-med major from Enterprise, is a 2013 graduate of Enterprise High School.

The President and Dean's list scholar has held several leadership positions and is involved in numerous campus activities at East Central Community College.

At East Central, he serves as president of Students Against Destructive Decisions and the Residence Council. He is a dormitory Bible study leader and is a member of the Baptist Student Union's Leaders Council.

In addition, Stallings is a member of Theta Xi Chapter of Phi Theta Kappa, the international honor society for two-year colleges, BSU, President's Council, Sigma Sigma Mu Tau, *Wo-He-Lo* yearbook staff, Phi Beta Lambda and President's Council.

Stallings was awarded the Mathematics Award his freshman year and was selected to *Who's Who Among American Community and*

*Junior Colleges Students* his sophomore year.

He is the son of Cindy Stallings of Enterprise and the late Walter Stallings.

Stalling's nominators described him as a "great representation" of a well-rounded student.

"Every time I see him on campus he has a smile on his face and is so encouraging."

Another nominator said, "Caleb is a very active student on EC's campus participating in several student organizations. As an instructor it is exciting to see young Christian students excel spiritually and academically. Caleb is never lost for words, always has a smile, and always is willing to learn."

In addition, Stallings was credited for his boisterous personality.

"Caleb is a very outgoing and kind person. He never meets a stranger and loves to participate in all EC has to offer."

## The ONEs To Be

Warner Parkes

Warner Parkes is the son of Tammy and Luke Parkes of Nanih Waiya and is a 2013 graduate of Nanih Waiya Attendance Center.

Parkes is an active part of East Central's student body, participating in various campus organizations and clubs as well as being a member of two of ECCC's athletic teams. He is a member of Warrior Corps, Students Against Destructive Decisions, Phi Theta Kappa, President's Council and is an officer for the Student Body Association. He is a member of the Warrior Cheerleading Squad and is a manager for the Lady Warrior basketball team. Parkes said his hangout spot on campus is Brackeen-Wood Gymnasium.

"When I am not studying or attending class, I am helping Coach (Crandall) Porter and his basketball team. #BelikeaGiraffe"

Parkes said he loves EC because of its size and student/teacher ratio.

"It is easy to know every face you see and all the teachers remember your name," he said.

Participating in intramural sports is one of the campus activities Parkes said he enjoys most. His fondest memory of EC was during his sophomore year playing intramural softball.

"We had (team) shirts made that said "Barn Boys" (in reference to Parkes' off-campus residence) and we were actually pretty decent."

Parkes is an optometry major. The Dean's and President's lists scholar said he enjoys playing basketball and fishing in his spare time.

After receiving his associate's degree at East Central, Parkes said he plans to continue his education at Mississippi State University.

Mallory Turner

Mallory Turner is the daughter of Charlie and Patty Turner of Collinsville. She is a 2013 graduate of West Lauderdale High School.

The campus leader and athlete said she treasures the relationships she has made while attending East Central the most.

As a member of the Lady Warrior softball team, Turner can most often be found at the softball field; however, it is during the teams' weekly Bible study that she said is her favorite on-campus activity.

"It is such a bonding experience as a team," Turner said.

Even though Turner focuses on her sport, she still makes time for her academics and campus leadership roles. She is a member of Phi Theta Kappa, Baptist Student Union, Fellowship of Christian Athletes and an officer of the Student Body Association.

Turner was selected Class Vice President, Class Favorite, Homecoming Maid and received the softball award her freshman year. Her sophomore year, she was selected Homecoming Maid. Turner said serving on the Homecoming courts her freshman and sophomore years are some of her favorite memories of ECCC.

Turner said she is most inspired by Lady Warrior softball head coach Kristin Chaney.

"On December 7, Coach Chaney was saved and has completely been living for Christ since," Turner said. "It is so awesome to have a coach who loves the Lord."

Turner is a nursing major and plans to attend the University of Southern Mississippi.

# Lamplighters

## Lighting the Way for Students ONE at a Time

East Central Community College selected faculty members Natalie Emmons, Kristie Pilgrim and Sherri Cliburn to attend the annual Lamplighters Conference, which honors outstanding community and junior college instructors throughout the state. This year's conference was hosted by Coahoma Community College in Clarksdale.

The Lamplighters Program was begun in 1990 by the Academic Deans Association to honor excellence in teaching. One community college hosts the conference each year. The program is designed to recharge and invigorate faculty who

shine on their individual campuses.

The conference provides an opportunity for recognizing faculty who go beyond and above what is required. The major objectives of the project are to recognize and reward effective teaching in the Mississippi community colleges and to give effective instructors an opportunity to share with one another those teaching techniques that promote learning.

Lamplighters and their respective teaching areas include (from left) Emmons, music keyboard; Pilgrim, surgical technology; and Cliburn, special populations reading.

# HEADWAE Honorees

## ONE Step Toward Excellence

Sophomore Lauren Cantey (right) of Collinsville and chemistry instructor Amy Denson (left) of Decatur were recently selected to represent East Central Community College at the 2014-15 Higher Education Appreciation Day: Working for Academic Excellence (HEADWAE) program held Feb. 17, 2015, in Jackson.

The annual HEADWAE observance was established by the Mississippi Legislature to honor the academically talented students and faculty members from each of the 36 public and private member institutions of the Mississippi Association of Colleges.

Honorees were invited to the State Capitol where they were welcomed by Lt. Gov. Tate Reeves and recognized in each Legislative chamber. During the luncheon each student and faculty honoree were recognized in front of their guests, institution leaders, corporate sponsors and legislators.

In addition to the public recognition, a booklet will be published featuring photos and biographical sketches of each honoree.

Cantey is a sophomore at East Central, where she currently maintains a 4.0 grade point average. Her career goal is to attend medical school and work in

pediatric emergency medicine.

A President's List scholar, she is a member of Theta Xi Chapter of Phi Theta Kappa, the international honor society for two-year colleges, and serves as Vice President for Leadership.

Cantey is a 2013 honor graduate of West Lauderdale High School and is the daughter of Michael and Sherri Cantey of Collinsville. Denson joined the ECCC science faculty in August 2013.

She was previously employed by the Petal School District and served as an adjunct science instructor at Pearl River Community College.

At EC, Denson serves as co-sponsor of Sigma Sigma Mu Tau, an organization for pre-medicine majors.

An honor graduate of Petal High School and Jones County Junior College, Denson received a Bachelor of Science degree from the University of Southern Mississippi and a Master of Science degree from Mississippi State University.

She is the daughter of Donald Denson and Nancy Thorne Denson of Petal.

# Academic Instructor of the Year

## Pam Fowler

Pam Fowler of Union was recently selected as Academic Instructor of the Year at East Central Community College, where she has been employed as an English instructor since 2007. Upon her selection, Fowler said she felt excited and honored.

"This is without a doubt the most prestigious and personally-rewarding recognition I have ever received in my teaching career," she said. "I am extremely grateful to my peers for their support and friendship."

During her tenure at the college, Fowler has taught a variety of English classes including Intermediate English, English Composition I and II and World Literature I and II.

"I enjoy my job every day," Fowler said. "I learn something every day. I find something to smile about every day. What more could I ask for?"

Fowler said she decided long ago that she wanted to be in the field of education.

"I was blessed with some very good teachers and role models that paved the way for my future," she said. "I really enjoy the relationships that coincide with teaching. Over the years, I have had several students touch my life in all avenues of teaching and learning. These students are the ones who have taught me patience and understanding that I may

never have learned otherwise."

Fowler said although her parents were major influences on her decision to become an educator, it is her co-workers and students who keep her motivated and positive in the continuance of her career.

Prior to joining the faculty of ECCC, Fowler was employed with the Neshoba Central School District, East Mississippi Community College, Union Separate School District and Lake High School. She has 21 years of teaching experience.

She is also a Mississippi Virtual Community College certified online instructor and has taught online English classes for the past 15 years.

Her honors at ECCC include receiving the Lamplighter Award in 2013 and the William Winter Scholar Award at the Natchez Literary Festival in 2012. In addition, she was selected to *Who's Who Among Teachers in American Junior Colleges* while a member of the EMCC faculty.

She holds an Associate of Arts degree from Meridian Community College, a Bachelor of Arts degree from Millsaps College, and a Master of Science degree from Mississippi State University.

# Workforce Education Instructor of the Year

Luke Howell

East Central Community College selected Luke Howell of Union as the 2015 Workforce Education Instructor of the Year.

Howell said he decided to become a teacher after serving as a student minister.

"I began to realize the positive influence I could be to a student. I realized if I could learn a skill, teach the skill to someone else, and watch them succeed it was a great reward."

Howell joined ECCC as collision repair technology instructor in 2010.

He said his favorite part about being an educator is the students he comes in contact with every day.

"I enjoy getting to know my students and teaching them a trade they can use to be successful in life," Howell said.

He said he felt honored to receive such an award as Instructor of the Year.

"I take pride in my job as I believe most teachers do. I am thankful the teachers surrounding me think so highly of me."

Since he began his tenure at ECCC, Howell said he has been given many great opportunities.

"I have been to Kansas City, Missouri, for the national SkillsUSA competition, Tacoma, Washington, to an I-BEST conference and to Houston for a Pittsburg Paints & Glass paint Certification class, he said.

"I have always enjoyed taking students to the SkillsUSA state competition. Students always seem to work at a higher level during the competition. I believe it helps a student realize their true potential. I also enjoy talking to former students who are employed in the collision repair field."

Howell knows personally what the competitions mean to his students because he competed when he was a student in the collision repair technology program at ECCC.

Howell was a first-place winner in collision repair technology during both years of competition in the Mississippi SkillsUSA Contest and finished as high as seventh in the national event.

A graduate of Newton County High School, Howell holds two degrees from ECCC: an Associate in Arts in music received in 2005 and an Associate in Applied Science in collision repair in 2007.

Howell credits one of his ECCC instructors for influencing his career.

"Mr. (Conrad) Germany taught me the skills that I needed to get my first job," Howell said. "He taught me you never stop learning your trade. Mr. Germany continues to advise me even though he has been retired for five years."

Howell is married to the former Aubrie Cleveland of Union. They have two children, Jacob and Annley.

# Phi Theta Kappa

## ONE Honored Organization

**By Allison Johnson, Staff Writer**

This year, East Central Community College's Theta Xi Chapter of Phi Theta Kappa's (PTK) College Project is entitled "Read Across Mississippi." PTK members are visiting and reading to the kindergarten classes at schools located in East Central Community College's five district area.

The organization decided to make this its college project for many reasons. Of course, the main reason was to help improve literacy and to inspire a love of reading, knowledge and education in children even as early as kindergarten. The chapter also decided to enact "Read Across Mississippi" to align with Gov. Phil Bryant's recent legislation entitled "Education Works." The part of "Education Works" that is Gov. Bryant's "Third Grade Gate" is intended to improve literacy rates by ending the promotion of a child past third grade if he or she can't read on their grade level. The chapter believes literacy is vital to a child's success in school as well as their ultimate success in graduation and becoming productive members of society. As a chapter, Theta Xi decided the literacy rate was something of vast importance that the chapter could and would devote its time to improving. Literacy is one of the keys to success and the chapter finds the lack of it to be astonishing.

The chapter's project mission statement is: "We hope that our project will make a difference in these children's lives, and that they will see that learning to read is important because we have made it a priority to come and read to

them."

ECCC President Dr. Billy Stewart said, "Included within the Institutional Commitment of Community Partnerships in East Central's strategic plan, *2020 Vision*, is an action plan that states the college will increase its presence in local elementary, middle, and high schools. Participation in activities related to 'Read Across Mississippi' by the Theta Xi chapter of Phi Theta Kappa helps our college achieve that action plan. But even more than that, this college project allows our students an opportunity to engage elementary-aged students in the important skill of reading and heightens awareness and support of literacy. Research indicates that reading is essential to develop critical thinking skills and to be successful in other subjects such as math and science. In addition, most research reports that children who are reading on grade level by the third grade have a better chance of graduating high school and becoming contributing members of society. By taking time to read in local elementary schools throughout our district, PTK members are making a difference in the lives of children, and they're learning the importance of service to others, not self. Those lessons will go with them the rest of their lives."

Vice President of Service of PTK sophomore Jenny Grove said, "This project is great not only because it gets students on EC's campus involved in these kid's lives, but it also teaches these children that reading is great and it can be fun to learn new things. I think this project can potentially change

the future of public schools in our area for the better."

PTK member sophomore Taylor Townsend agreed, "Reading is such a special project. When I learned how to read, I completely fell in love with every aspect from imagery to symbolism to diction. For children, I know that it's hard to stay still long enough and pay attention to the book and reader. When I went and read at Neshoba Central though, almost every child was attentive and almost mesmerized. Something that seems so silly to us may seem like the whole world to them. They were ecstatic that college students were reading to them, and they were willing to participate in return. I think that it's amazing to stop and think about what we - the age split between adulthood and childhood - can do just by visiting a class and reading. This project is wonderful! The children enlightened me. All they want is for someone to pay attention and spend a little time with them, and probably one of the best ways to do that is what we're doing; giving them access to knowledge, imagination, participation, and ultimately love. Love and passion have to be the core of community service. In this project, I find that both are evident, and I'm very excited to continue."

PTK also participates in multiple other projects such as Community College Completion Corps (C4) and Honors in Action. Some of PTK's service projects included highway clean-ups, can food drives and toy drives. This year PTK hosted a week full of events to promote graduation, including a signing day where students could come by and commit to complete community college. Dr. Rod Risley, the CEO of PTK, came and spent an afternoon speaking on the importance of community college completion. At the end of C4 week, PTK hosted a 5k color run to celebrate its success.

The theme PTK chose for this year's Honors in Action project was entitled "Health and Medicine as Frontiers." A few officers attended a local free health clinic and conducted a survey containing various questions regarding the project theme, and then they compiled the results and created a poster promoting healthy lifestyles. All members then assisted in writing a summary of the research and project.

# We Are ONE

By Allison Johnson, Staff Writer

East Central Community College (ECCC) was ranked as the overall number one community college in Mississippi by the *Clarion Ledger* in 2014. ECCC ranked number one in transfer grade point average (GPA) and number two in tuition. ECCC received number one rank in transfer grade point average due to findings in a report by Mississippi's Institutions for Higher Learning (IHL). This report from IHL revealed that transfer students from ECCC achieved a 3.22 grade point average, which represents the highest cumulative GPA of all community college transfers at the state's eight public, four-year institutions. Students from the community/junior college in second place earned a 3.17 GPA, and the average for all 15 community colleges combined was a 3.12 GPA. The report also showed, yet again, that community college transfer students performed academically as well or better in university courses than students who began their education at the senior institutions. The "native" students earned a 3.09 GPA.

ECCC President Dr. Billy Stewart said he was "elated and proud" at the news that East Central Community College students are once again recognized for academic success. Dr. Stewart also added, "This data, compiled and reported by IHL, confirms the results of our college's dedication to Student Services and Teaching and Learning, two hallmark commitments of 2020 Vision, our strategic plan for the future. Our faculty and staff are preparing East Central transfer students well for the academic challenges of a university, and based on the performance of our transfer students, no one does that any better!"

Furthermore East Central Community College leads the nation in the number of community/junior college student-athletes receiving academic honors for 2013-14, according to the National Junior College Athletic Association (NJCAA). According to the report, 24 ECCC student-athletes qualified for the special recognition. ECCC honorees include four student-athletes who received the Pinnacle Award for Academic Excellence (4.0 GPA); five student-athletes recognized for Superior Academic Achievement (3.8-plus GPA); and 15 student-athletes who earned Exemplary Academic Achievement honors (3.6-plus GPA).

"A great, big thank you goes to these 24 student-athletes for their hard work and commitment to their academic endeavors while playing their respective sport at ECCC," said ECCC President Dr. Billy Stewart. "Also a great big thank you goes our faculty and staff for their support and encouragement of these students and their commitment to STUDENT SUCCESS and TEACHING and LEARNING."

Recipients of the NJCAA Pinnacle Award for Academic Excellence are former baseball players Maxwell Harmon

of Meridian and Caleb Woods of Carthage, and former golf team members Aaron Tucker of Carthage and Sawyer Williams of Eldorado, Arkansas. Student athletes receiving NJCAA Awards for Superior Achievement include former women's soccer player Kennedy Castleberry of Meridian; former women's soccer and tennis player Alana Turner of Florence; former women's tennis player Nan Hartness of Louisville; and former men's soccer team members Jordan Walker of Decatur and Zach Killion of Crestwood, Kentucky.

Those who earned NJCAA Exemplary Awards for Excellence include former men's soccer players Jesse Vaughn, Will Thompson and Russ Thompson, all of Decatur, and Taylor Potts of Benton; former women's soccer players Miranda Clark of Philadelphia, Sydney Dawkins of DeKalb, Paige Gower of Meridian and Heather Johnson of Chunky; former men's tennis player Brandon St. Clair of Newton; former women's tennis player Hannah Smith of Carthage; former fast-pitch softball players Haley Stephens of Union and Kaylin Hopkins of Louisville; former baseball players Mason Woodrow of Taylorsville and Jacob Bush of West Blocton, Alabama; and former basketball player Shedrick Faison of Aberdeen.

# Cross Hall

## ONE New Look

**By Dominick Fields, Staff Writer**

The renovated Cross Hall opened for use in August as another science hall on the East Central Community College campus. The 14,093 square-foot building includes two tiered classrooms that can seat up to 100 students per room, two classrooms with 60-student capacity and additional classrooms that can seat up to 30 students each. In addition, the hall includes a renovated chemistry lab and additional office space. The two-year, \$3.7 million project was funded by State Bond Funds appropriated by the Mississippi Legislature.

Teachers, as well as students, have said they are enjoying the new building.

"We are all thrilled that Cross Hall is open and we are able to teach classes in there again," said Curt Skipper, Science Department Division Chair. "It is truly an amazing renovation and addition to our school. Cross Hall paves the way in energy efficiency for the future of EC. I dream about all of the future doctors, nurses, pharmacists, veterinarians and all of the bright futures our students will have as they begin their college science classes in Cross Hall. I know that Mr. Frank Cross and the science teachers who have come after him would all be thrilled to see it

today."

Spanish instructor, Carla Gray, whose classes are now located in Cross Hall, said, "I really like the technology that is available to use to enhance instruction. I also like the nice big windows that allow the natural light into the classroom. This enhances the learning environment."

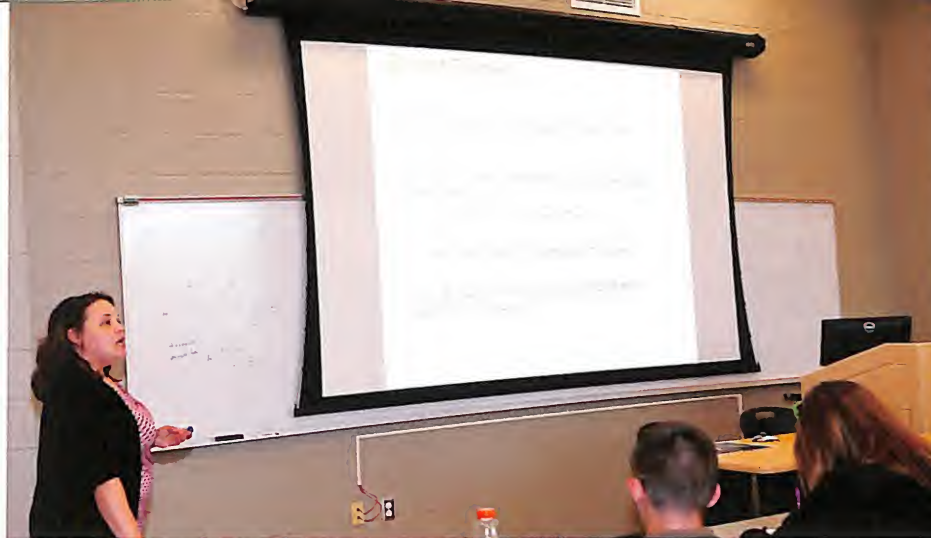

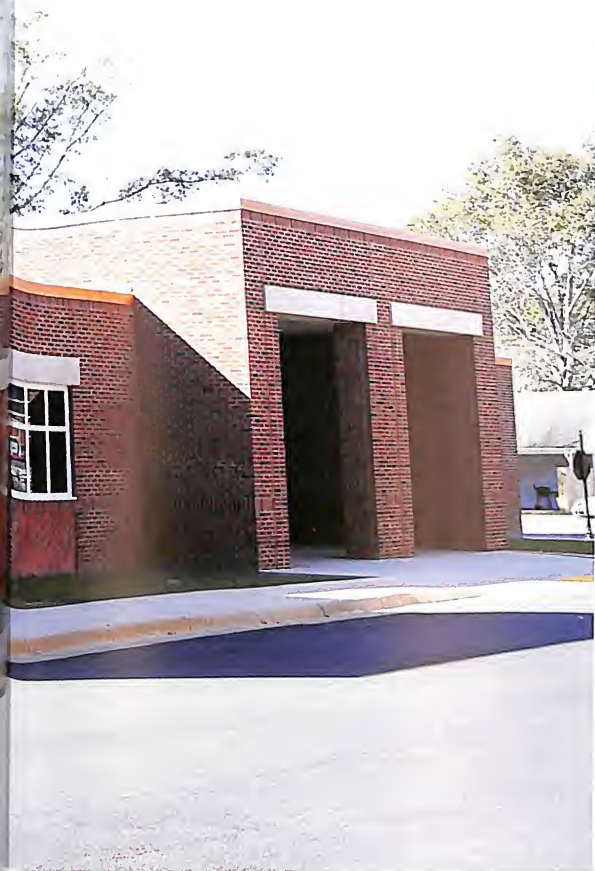

The classrooms are equipped with up-to-date technology that enhances the learning experience for the East Central students. Comfort is also key for the new building.

"For many students including myself, one of the best amenities of Cross are the comfortable seats," said sophomore DeeJay Rolison of Decatur.

Former ECCC President Dr. Phil A. Sutphin initiated the project during his tenure in 2012. Construction began a few months following a ground breaking ceremony on June 12, 2012. Construction was supervised by the Bureau of Buildings, Grounds and Real Property Management.

Constructed in 1961, Cross Hall originally contained classrooms for biological and chemical sciences. A chemistry lab was also located in the building, named for chemistry instructor Frank Cross. Cross was a member of the ECCC faculty from 1933 to 1970. He also served as science division chairman.

A ribbon-cutting ceremony was held Sept. 9, 2014, to officially unveil the renovated Cross Hall at ECCC. The \$3.7 million project was funded using State Bond Funds appropriated by the Mississippi Legislature. Former ECCC President Dr. Phil Sutphin performs the ribbon-cutting duties assisted by Board of Trustees Chairman Dr. Jimmy Hollingsworth of Lake and current ECCC President Dr. Billy Stewart. The project was initiated during Dr. Sutphin's tenure as president. Also participating in the ribbon-cutting ceremony were State Senator Terry C. Burton, R-Newton; State Representative Randy Rushing, R-Decatur; Decatur Mayor Pat O'Neill; Henry B. "Bubba" Hudspeth of Louisville, representing the Mississippi Community College Board; Bureau of Buildings Grounds and Real Property representatives Glenn Kornbeck, director, and Mike Beauchamp, project manager; Randall Lewis, H&H Architects; Hugh Bergin, project manager, Chris Albritton Construction; several ECCC Board of Trustees members, ECCC Vice President for Instruction Dr. Teresa Houston, several ECCC retired faculty members and current science department instructors.

# Huff Auditorium

## ONE Improvement

By **ALLISON JOHNSON**, Staff Writer

East Central Community College's Huff Auditorium, originally constructed in 1953, was renovated during the 2014-15 academic year. The renovation project, funded through monies received from the Mississippi Legislature during the 2014 session, commenced in June 2014 and was completed in November 2014.

ECCC President Dr. Billy Stewart said, "Huff Auditorium has been the site of thousands of performances, speeches, events, ceremonies, and other college and community activities in its 62-year history. The upgrades of new seating and new flooring, as well as the installation of sound panels, have been needed for quite some time. Thanks to our friends in the Mississippi Legislature, that time came this year. I am certain that these upgrades will enhance the experience of both the performers as well as the audience as the facility continues to be used to host events of all kinds."

New cushioned and upholstered chairs replaced the original seating in the facility which had deteriorated with use and age. Prior to the upgrades, capacity was 1,000 people. However, with larger, modern chairs and additional space between rows, sitting room decreased to 838.

The cost of the new seats was \$111,058 with an additional \$16,000 spent on new flooring.

In addition, some smaller, yet notable renovations have also been made in the facility. Sound panels were installed by the college's Physical Plant Department.

Also, a new chair lift was installed for rear entry to the stage area at a cost of approximately \$9,000.

## Student Body Association

Selected to lead East Central Community College's student body for 2014-15 and their respective high schools are (front row, from left) Freshman Class President Kaley Bufkin and Freshman Vice President Kaylee Yates, both of Newton County; Freshman Class Secretary Anna Claire Webb, Noxapater and Freshman Class Treasurer Hannah May, also of Newton County; and (back row, from left) Sophomore Class President Zack Allen, of Neshoba Central; Sophomore Class Vice President Megan Robinson and Sophomore Class Secretary Cara Jackson, both of Nanih Waiya; Sophomore Class Treasurer Matt Ferguson, Lake; Student Body Association (SBA) President Leah Ferguson, Neshoba Central; SBA Vice President Hannah Mitchell, Newton County; SBA Secretary Addie Ambrosier, Magee; and SBA Treasurer Warner Parkes, Nanih Waiya.

## From the SBA President

### ONE Letter

It has been an honor to serve as a member of the Student Body Association my past two years at East Central Community College. The Student Body Association (SBA) is in charge of all student activities on campus. At the beginning of my term serving the student body, I wondered what God had in store for me and our campus. I never knew how much went into planning things for a whole school. I have learned so much during the past two years here that I hope to take with me. East Central has so much to offer and I have been so blessed to help create a great atmosphere for our campus.

The things I love most about SBA are all the people I get to meet and planning/participating in Spring Spree. There is such a wide variety of people on our campus and I love being able to call

people by name and say hello. Of all the many events on campus, Spring Spree is the most fun. It's the one week on campus when tons of people get together to just relax and have fun!

SBA is about the students at East Central and is one of the hardest working clubs on campus. I wouldn't trade a single day here at EC for anywhere else. I love East Central, the students, faculty, atmosphere and even our one little stop light.

I have been blessed to serve as Freshman Class President and Student Body President and I hope I have left my own little mark on EC, because I know it sure has left a mark on me.

# We Will Rock You!

## The ONE & Only Wall

By EMILY COOK & ANNA GIRLING, Editor & Copy Editor

While most people find halftime of football games a good opportunity to sneak away for refreshments, the Wall O' Sound Marching Band has a way of keeping those seats filled. The field comes to life as soon as the band takes the stage. With the drum line taps and the cue from the drum majors, the show is under way. With a blow of "We Will Rock You," the crowd's attention is captured proving that "We Are the Champions."

The drum line takes the lead in the "We Will Rock You" show. The audience can't help but clap along with the Centralettes as they get pumped up to the beat. The full band has the crowd's attention now as they march onto Warrior Field.

The beat slows down as the band transitions into its next song. Ryan Godwin sings along to the band's collection of songs to add to the dancing of Centralettes and colorful flags of the Color Guard.

"Bohemian Rhapsody" is a crowd favorite as it features the Color Guard. Colorful flags fill the air and circle around the field in this fun song.

The Centralettes take center stage next as "Crazy Little Thing Called Love" begins to sound throughout Bailey Stadium. Their kicks and moves have the spectators' eyes glued to the field. As they end in a split, the audience erupts into cheers that soon quieten as the band started up again.

Bicycle bells ring as two members of the band ride around the band on bicycles as they play a short clip of the tune "Bicycle."

The crowd holds their breath as the band members rushed forward to the sidelines and the Color Guard and Centralettes disappear on the field behind gold flags. "We Are the Champions" then blares from the field as the Color Guard and Centralettes perform in

The horns play "Bicycle" during the halftime show.

unison. The Wall O' Sound rocks the field and steals the show making halftime more than an intermission to a football game.

The Wall O' Sound shifts gears in the spring semester by filling a concert hall rather than a football field, but that doesn't mean they lose any of their excitement. The band features several smaller groups that elite players can showcase their talents including symphonic and jazz bands, can-bangers and mallet ensemble. All together, the Wall O' Sound shows the talent of East Central like no other organization. The spirit of the campus is captured in the beat of the drums, the melody of the horns, and the enthusiasm of the dancers and flags.

# Collegians

ONE rocking time

By ANNA GIRLING, Copy Editor

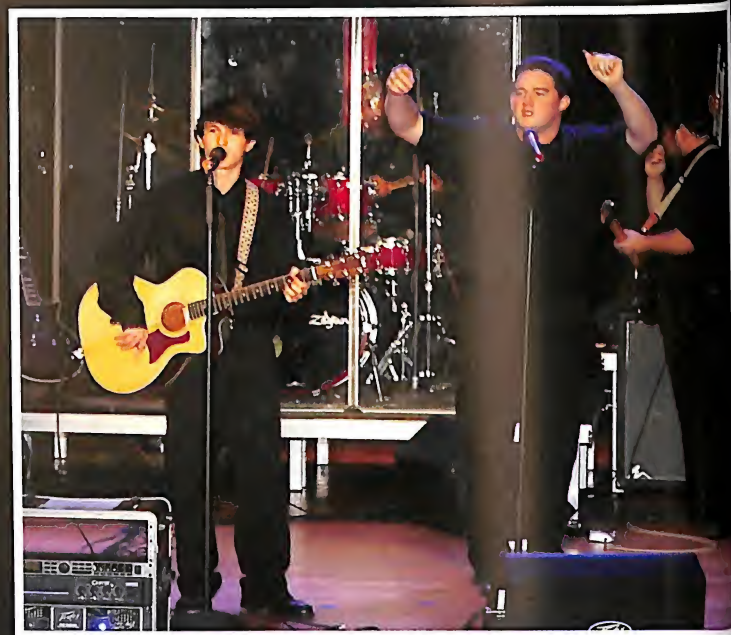

"Once a Collegian, always a Collegian," is the motto for East Central Community College's rock-n-roll band. The band plays various genres of music and is known for playing the current *Top 40* hits, along with a few throwbacks every now and again.

The band is under the direction of former Collegian and ECCC music instructor Chas Evans. Evans joins the band as one of the guitarists.

The band held a Fall Concert in November and a Spring Concert in April. In addition, they play at various venues throughout the college's five-county district as well as perform during events on campus such as Senior Days.

This year the band's playlist included tracks from Bruno Mars, Scorpions, Ed Sheeran, Meghan Trainor, Kelly Clarkson, Sam Smith, Jake Owen and Taylor Swift.

Members include vocalists Tallie Johnston of Lake, Cara Jackson of Louisville, Anna Wells of Noxapater, Garrett McDill of Conehatta, Ryan Godwin of Newton and Nick Stewart of Philadelphia; auxiliary percussionist Matt Mason of Union; keyboardist Anna Girling of Carthage; trombonist Evan Derrick of Morton, saxophonist Zach Peden of Philadelphia, drummer Chris Kelley of Newton, trumpeters Daniela Vargas of Morton and Nina LaBue of Conehatta; guitarist Stephen Stewart of Decatur, bass guitarist Houston Martin of Union and technicians Ryan Packer of Decatur, Ben Avera and Patrick Embrey, both of Hickory; Jeremy Collin and Ryan McClendon, both of Forest; Hannah Mitchell and Acea Ange, both of Meridian; Justin Moore of Kosciusko and Michael Buntyn of Newton.

# Ac'cents

## ONE Voice

By DEEJAY ROLISON, Staff Writer

The East Central Community College Ac'cents had a standout year! The group, under the longtime direction of Fine Arts Division Chair Vicki Blaylock worked hard all year to learn choreography and music to popular songs. Some of the tracks that the group learned and performed this year included Lady Gaga's 2013 dance/pop smash, "Applause;" Rihanna's heartbreaking 2012 duet (with Mikky Ekko) "Stay;" Bruno Mar's jazz-influenced 2012 hit "Treasure;" and Janet Jackson's dance-heavy track from 1989, "Rhythm Nation."

The choreography was once again taught by sophomore Ryan Godwin. Godwin has taught choreography for four years, starting at Newton County High School's Beta Club and working with Newton County's show choir and EC's Ac'cents for two years. He

had this to say about the Ac'cents:

"Ac'cents is a show choir group, with singing and choreographed dancing being a key part of their involvement. The group consists of twelve members: six females and six males. The female singers include sophomores Mak Rowzee and Haleigh West, both of Hickory; Cara Jackson of Nanih Waiya and Kelli Boulton of Decatur and freshman vocalists are Kaishanna Young of Philadelphia and Tallie Johnston of Lake. The men singers are sophomores Kirk Griffin of Decatur, Ryan Godwin of Newton, Zach Peden of Philadelphia, DeeJay Rolison of Conehatta, and Eli Parker of Little Rock; and freshman Ben Pace of Philadelphia.

The Ac'cents were set to finish off their season in April with the spring concert.

# Concert Choir

## ONE Note

By RACHEL LAIRD, Staff Writer

The East Central Community College Concert Choir of 2014-2015 may be seventy-eight members strong, but they had to learn to sing as one voice. Mrs. Vicki Blaylock, Fine Arts Department Chair and director of the choir, with the assistance of Mrs. Natalie Emmons, accompanist and assistant director, has done a fabulous job of molding students from a wide range of musical backgrounds and abilities into an accomplished choir in such a

short period of time.

Even though everyone has to work hard to learn the music, "choir is great fun" according to Lacye Harrison, a sophomore from Little Rock.

She adds, "The songs that we sing are really interesting"

Rebecca Tero, a freshman non-traditional student from Decatur, agrees. "I have been really blessed by being in the choir Mrs. Blaylock does

an amazing job of keeping us challenged, yet having fun too! I have learned so much, and am looking forward to all I will continue to learn!"

The choir's annual Christmas Concert was held December 2, 2014 at Clarke Venable Baptist Church. Master Tate Emmons, Mrs. Emmons' four-year-old son, captured the hearts of the audience when he opened the concert by reciting Luke 2:8-11 from memory. The choir performed the songs "Masters in This Hall," "The Virgin Mary Had a Baby Boy," "The Twelve Days After Christmas," "Still, Still, Still," "Away in a Manger," "How Great Our Joy," "Let There Be Light," "O Come All Ye Faithful," "The Hallelujah Chorus," and "I Wander As I Wonder," with Haleigh West, a sophomore from Hickory, as soloist.

The EC Concert Choir's next performance was at the Mississippi Community College Choral Festival on February 19, 2015.

Mrs. Blaylock was highly impressed with the choir's performance, stating, "This wonderful choir not only sings, but all 78 met the challenge to learn a choreographed dance. The dance was to an African song titled "Babethandaza." The song and dance was brilliantly performed at the Mississippi Community

College Choral Festival held at the MSU Riley Center in Meridian. Of course, we brought the house down!" In addition to "Babethandaza," the choir also performed "Omnia Sol" and "My Soul's Been Anchored," in which Darryl Rogers, a sophomore from Laurel, performed the solo.

Mrs. Emmons summed up the year for the choir when she said, "What a great year for the EC Concert Choir! Music has been made, hearts have been touched, and lives have been inspired. I'm just glad that I was a small part of it!"

# Gospel Choir

ONE Voice

By Lillie Shuler, Assistant Editor

East Central Community College's Gospel Choir is a group of students who sing gospel music under the leadership of Mrs. Brenda K. Johnson. Serving as Student Director is Andrea Riley of Walnut Grove. Membership to the choir is open to any student at ECCC. The choir performs gospel music in a variety of settings, both on campus and in the five county areas.

The choir held its fall semester concert on Dec. 3, 2014, in the Vickers Fine Arts Center Auditorium. Bill Flowers of Newton served as guest speaker. Flowers, an ECCC graduate serving as an assistant basketball coach for Newton Public Schools, spoke of "Making the Right Choices" Campus Life - Part III. The Rev. Marcus Mann, also an ECCC alumnus, served

as master of ceremonies. ECCC President Dr. Billy Stewart also provided remarks. ECCC women's basketball coach Crandal Porter introduced Flowers, who is also a former ECCC basketball assistant. Gospel choir members who participated in the program included Andrea Riley, introduction of master of ceremonies; and Keona Foster of Philadelphia, who performed a mime dance.

In addition, the Gospel Choir also travels to many local churches to perform. The Gospel Choir also traveled to Newton High School to perform in The Black History Month program. The Gospel Choir was planning to perform at our Black History Program, but due to inclement weather the program was cancelled.

# A Different Kind of Story

ONE Smelly Adventure

By CONOR BELL, 2014 *Wo-He-Lo* Editor

EC Encore is East Central's first exclusively musical theatre group.

This year, Encore took Decatur on a trip to the swamp to meet an ogre, his talkative friend, and an unlikely princess. Their 2014 spring production, *Shrek The Musical*, brought East Central's musical theatre standards to new heights!

In this musical take-on of the popular movie, an ogre named Shrek is sent on a quest and finds something he never expected.

The musical opens with a young Shrek being sent away by his parents into a world of people who hate him. He spends the rest of his life alone in his swamp overrun with fairytale creatures. Once Shrek learns that the creatures have been banished for being freaks, he is reluctantly persuaded to go take care of others.

Along the way, he meets Donkey, a colorful and quick-witted character. Along the two's eventful 100 journey, they meet Lord Farquaad. Farquaad tells

the two about a princess locked in a castle and if Shrek and Donkey save her, he will give Shrek his swamp back.

After saving Fiona, the princess, from the Dragon, Shrek and Fiona fall in love. However, Fiona hides from Shrek and Donkey because she becomes an ogre at night.

In the grand ending, Shrek stops the wedding of Farquaad and Fiona, but Farquaad is disgusted when Fiona turns into an ogre. After this revelation occurs, Farquaad is eaten by the Dragon, and Shrek and Fiona live happily ever after.

Natalie Emmons, choral/keyboard instructor, served as director, and sophomore Conor Bell served as student director.

Cast members included Chandler Smith (Shrek), Sam Lovorn (Lord Farquaad), Zach Peden (Pinocchio), Haley Moore (Sugar Plum Fairy), Leah Ferguson (one of the Three Little Pigs), Sarah Hall (White Rabbit), Laney Frasier (Mamma Bear), David Fortenberry (Humpty Dumpty), and Leslie Young and Sharda Spears (two of the Dragon "DooWaps"), all of Philadelphia; Ryan Godwin (Donkey), Clint Walker (Lord Farquaad), Hannah Robinson (Fairy Godmother), all of Newton; Claire Griffin (Princess Fiona),

Courtney Tillman (Momma Bear), Hannah Brown and Alana Kron (both playing the Mad Hatter), Kirk Griffin (Guard) and Andrea McSwain (one of the Dragon "DooWaps"), all of Decatur; Jayhonnies Slaughter (Dragon) of Union; Haleigh West (Gingy) of Hickory; Charles Taylor (Big Bad Wolf) of Preston; Jonathon Hodge (one of the Three Little Pigs) and Brianna Parkman (Elf), both of Lake; Gloriana Latham (one of the Three Little Pigs) of Morton; DeeJay Rolison (Peter Pan) of Conehatta; Hannah Mitchell (Ugly Duckling) of Meridian; Bristol Buffington (Wicked Witch) and Kevin Ryals (Papa Ogre), both of Louisville; David Wilson (Poppa Bear) of Collinsville; Dominick Fields (Pied Piper) and Ian Lanthrip (Captain of the Guard), both of Forest; Georgia Doner (Momma Ogre) of Bailey; Danielle Gregory (Queen Lillian) of Little Rock; and Houston Martin (dual roles as King Harold and Thelonius) of Chunky.

Area youngsters playing roles included Karise Parkman (Baby Bear), Tate Emmons (Smurf), Tallie

Johnston (Teen Fiona), and Annslee Calhoun (Young Fiona), all of Lake; and McCoy Compton (Young Ogre) of Forest.

Members of the Duloc Dancers included Emily Cook of Carthage; Jordan Lovorn, Kayla Covington and Cara Jackson, all of Louisville; Kara Miller of Decatur; Mackenzie Gannon of Newton; Kelsey Cox and Emily Cox, both of Forest; Kara Yates and Kara Beth Johnson, both of Morton; Kasey Logan of Lake; and Hillary Williams of Philadelphia.

# Dinner Theatre Madness!

## ONE Big Mystery

By Madelon Taylor, Assistant Editor

Each fall, the EC Players, directed by Stacey Pollock, presents a dinner theater. This year the Laurel and Hardy Murder Mystery was chosen. Auditions were held in early September for the production, and it just so happened there was a spot for everyone who auditioned.

This play was not a production any of the cast members were familiar with which made learning the play more difficult when the Players began meeting to read over their lines, cast members said.

Pollock explains the story of the Mystery: "It's 1939 - television is introduced in New York at the World's Fair. 'The Boys,' Laurel and Hardy, are about to break into the movie business thanks to Ollie's Uncle Norvel. Uncle Norvel is about to make the big announcement at a party to celebrate his new investment, but before he can, he is kidnapped. Evidently, there are people out there who would like to see this new-fangled device go away. Could the person responsible be the German silent film director Von Slowburn or his handler Greta Grebe who may have Nazi ties? Is it the starlet Mitzi Ditsy who will do anything to succeed? Maybe it's the silent film star Lillian Swansong or the young radio producer Mike Chex. Perhaps it is Orsen Wellfred the famous director. And don't forget DeForrest Ford Detreese, the inventor whose TV patent has been stolen. The show must go on and during Orsen Wellfred's radio rendition of 'The Death of Lincoln,' the culprit strikes again."

In addition, it was a challenge for the Players to practice the play in Huff Auditorium and adjust to the performance actually being held in Mabry Cafeteria. Nevertheless, after countless hours of practicing, the EC Players pulled off the production of the Laurel and Hardy Murder Mystery. Performances were held Nov. 13-15, 2014. Turnout was great each night of the production, with most nights selling out. The cast members received many positive comments about the production.

Cast member Wil Johnson of Morton said, "I enjoyed being a part of this production and being a part of the EC Players."

Cast members and their respective hometowns include Sara Wysocki (as Stan Laurel), Walnut Grove; Enoc Reynoso (Oliver Hardy), Keanu Hoyer (Mike Chex), and Greyson Dye (Max von Slowburn), all of Carthage; Jeremy Hudson (Orsen Wellfred), DeKalb; Bristol Buffington (Lt. Lou Tenant), El Paso, Texas; Mary Levin (Tracy) and Madelon Taylor (Mitzi Ditsy), both of Louisville; Jessie Jones (Lillian Swansong), Pelahatchie; Wil Johnson (DeForrest Ford DeTreese), Morton; Alana Knowles (Greta Grebe), Decatur; and John Thames (Chex's father), Magee.

# From The President

## ONE Clear Vision

When I was selected the 8th president of East Central Community College in July of 2012, one of my first goals was to initiate a strategic planning process that would result in a vision to shape and guide the future of our institution.

As a result of this process, **2020 Vision** was adopted in February of 2013. It included a long-term desire to be nationally recognized and locally preferred while meeting the educational and training needs of all residents of the college district.

**2020 Vision's** seven Core Values of **W**isdom, **E**xcellence, **A**ccountability, **R**espect, **E**nthusiasm, **E**fficiency and **C**reativity (WE ARE EC!), define our institution's highest priorities and deepest-held beliefs. In addition, five Institutional Commitments—Student Success, Teaching and Learning, Community Partnerships, Resource Planning and Development, and Communication—serve as the core functions to allow us to achieve the college's vision and fulfill its mission.

As I pause to reflect on the activities and accomplishments of our college since the adoption of **2020 Vision**, I am excited about the progress we have made in our five Institutional Commitments during these first two years.

In the area of Student Success, the 30-45-60 Curriculum Model for Workforce Education, a 10-point grading scale, new graduation requirements and the "15 to Finish" campaign are just a few of the new strategies instituted to help students reach their full potential and successfully complete their degrees.

The college also excelled in the area of Teaching and Learning, including high marks in its annual 'Report Card,' which ranked ECCC above the state averages in numerous categories.

East Central was also ranked the No. 1 community college in the state by *The Clarion-Ledger* newspaper, based on academic performance of transfer students and tuition cost. We here at ECCC have always known we are No. 1, so it was nice for the rest of Mississippi to hear this as well.

The addition of "Mini-Term" sessions throughout the year, additional certification and testing opportunities for Workforce Education students and tutoring by full-time faculty in the Success Center are among efforts being made to expand educational programs and services at the college.

Community Partnerships have also played a vital role as East Central strives to be engaged with business, industry, education, government and community groups to enrich the learning experiences of students and the workforce.

The ECCC Fine Arts Division recently completed its inaugural season of a Cultural Arts Series, which featured Christian artist Dr. Gary Walters, the JSU Jazz Ensemble and local quilting historian Mrs. Carol Vickers. I look forward to the impact these activities will have on our students and the communities we serve.

In addition, East Central was fortunate to serve as a host site for the Medgar Evers exhibit, *This is Home*, which detailed the life of one of Mississippi's most prominent civil rights activists and Decatur native, Medgar Wiley Evers.

Our institution also hosted the first annual Warrior Wonderland this year following the Decatur Christmas parade. We are working to make Warrior Wonderland an annual event that will welcome in the Christmas season in our communities and also welcome hundreds of visitors to our campus.

East Central has also made a commitment to Resource Planning and Development, determined to invest and allocate resources in such a way that benefits students, employees and the college's district.

In addition to the numerous scholarships provided by alumni, individuals, businesses and industries, the college was also able to make many improvements to our physical plant, including completed renovations to Cross Hall, the unveiling of the new synthetic turf football field and a sidewalk and lighting project throughout campus.

Finally, East Central has instituted comprehensive Communication strategies and policies to advance visibility of the college and to engage and involve stakeholders.

These are just a few examples of the many ways East Central is meeting our vision and mission, and I look forward with great anticipation to continued success throughout our campus as together we meet the Institutional Commitments that have been identified in **2020 Vision**.

As we complete our 87th session, I am thankful that you made the ONE Choice to attend East Central Community College.

One thing is for sure, we will maintain a long-standing tradition here at East Central—offering quality educational opportunities to our communities the "EC Way—Excellence with Class."

God Bless!

## ONE Strike

By Kaitlin Smith, Staff Writer

East Central Community College's 2014 baseball program was led by head coach Neal Holliman and assistants Scott DeLoach and Ronald Sims. The Diamond Warriors finished fourth in the MACJC South Division with a 10-14 record and began post-season competition by defeating North Division top seed East Mississippi Community College in a best-of-three series. The defending state champion Diamond Warriors advanced to the MACJC State Tournament and Region 23 Tournament en route to a 25-29 record finishing third in the state and fourth in regionals.

Captains for the 2014 Diamond Warriors include: sophomore infielder/outfielder Maxwell Harmon of Enterprise, sophomore first baseman/outfielder John Morgan Berry of Madison Central and sophomore right-handed pitcher Mason Woodrow of Taylorsville.

Sophomores for the 2014 Diamond Warriors include: Jake Bush, Brookwood, Alabama; Courtney Forbes, Columbia; Zach May, Newton County; Mason Woodrow and Conner West, Taylorsville; Maxwell Harmon, Enterprise; John Morgan Berry, Madison Central; and Kale Fultz, Covington, Tenn.

Several East Central Community College baseball players received post-season honors following the 2014 campaign.

At the top of the list is right-handed pitcher Conner West who was named first team MACJC All-State. The Taylorsville High School product was also selected the Diamond Warriors' most valuable pitcher.

Also receiving post-season accolades were right-handed pitchers Kale Fultz of Covington, Tenn. and Ty Hendrix of Maben; infielder Dylan Little of Semmes, Ala., and outfielder Kyle McCullough of Madison, who were named second team MACJC All-State. McCullough, a right fielder, was also a nominee for an NJCAA Golden Glove award.

Fultz is a transfer from Southwest Tenn. Community College. Hendrix is a product of East Webster High School, and Little hails from Mary G. Montgomery High School near Mobile. McCullough, a right fielder, played high school ball at Madison Ridgeland Academy.

Receiving team honors were infielder Maxwell Harmon of Meridian, who was named most valuable player, most valuable defensive player and shared scholar athlete award honors with Caleb Woods of Carthage, and Zach May of Little Rock, who received the most improved player award. May was also nominated to receive an NJCAA Golden Glove award. Harmon is a product of Enterprise High School and Woods hails from Leake Central. May is a product of Newton County High School.

In addition to their on-field actions, the Diamond Warriors assisted in community service projects. One such project included, assisting in clean-up efforts following the April 28, 2014 tornado, that damaged several areas in Decatur. The ECCC athletes spent several hours helping clean up the golf course at the Decatur Country Club and surrounding area as one of their many community service projects.

### FROM STAFF REPORTS

Mallory Turner (11) slides safely at third base during ECCC's 7-5 victory over Marion Military Institute (Ala.) in the second contest of a double-header sweep on Feb. 17, 2014, at home.

Left: Utility player Christen Benson looks on as her teammates take the field.

Morgan Porter (19) jumps for joy as she is welcomed to home plate by her Lady Warrior teammates following her solo home run in a 5-2 win over Hinds Community College March 22, 2014, at home.

Ty Buckley belted her 17th dinger – a three-run homer – March 30, 2014, to help lead the Lady Diamond Warriors to an 8-6 win over Jones County Junior College in Ellisville.

The East Central Community College softball Lady Diamond Warriors, who finished the regular 2014 season with a 32-14 mark and 17-11 record in the MACJC South Division, qualified for the playoff series as the South #4 Seed in MACJC championship play. However, the 2014 season ended for the team after dropping a best-of-three series with Itawamba Community College on April 25-26, 2014, on the Fulton campus, finishing the year with a 33-16 record.

The Lady Warriors were led by second-year head coach Kristin Chaney and assistants Courtney Nunn and Kasie Buckley.

A highlight for the season was sophomore Ty Buckley being named MACJC Fast-Pitch Softball Player of the Year.

Buckley led the nation in home runs through most of the 2014 campaign and finished tied with two other players with 20 round-trippers. She posted a .408 batting average and collected 66 RBIs in helping lead the Lady Diamond Warriors to the post-season playoff series en route to a 33-16 record. Buckley also received NJCAA All-Region 23 and MACJC All-State honors and was an NJCAA All-American nominee.

The former Neshoba Central High School standout was also named the Lady Diamond Warriors' most valuable player and received the Most Outstanding Offense Award.

Chaney said Buckley is obviously most deserving of all her honors.

"Ty is an outstanding young lady who has accomplished so much throughout her career here at EC," said Chaney.

"She has taken everything in stride and remained humble. I was very fortunate to coach a player with Ty's athletic ability and also with her work ethic and personality. She is one of the greatest to ever come through this program. She definitely left her mark at EC and will definitely be missed."

Additional players receiving post-season recognition included: Kendra Wilson of South Lamar (Ala.) High School, Pitching Award and MACJC All-State; Kaylin Hopkins of Louisville, Base Running Award; Mallory Turner of West Lauderdale, Hustle Award; Makayla Kelly of Nederland (Texas) High School, Lady Warrior Award; Haley Stephens of Union, Most Improved; and Lindsey Beard of Clarkdale, Most Outstanding Defense.

Sophomore players and their respective high schools included Hayley Stephens (24), Union; Ty Buckley (23), Neshoba Central; Morgan Porter (19), Enterprise; Lindsey Beard (17), Clarkdale; Kaylin Hopkins (8), Louisville; Kendra Wilson (5), South Lamar (Millport, Ala.); and Amber McBroom (3), Brandon.

## ONE Net, ONE Court

### From Staff Reports

East Central Community College tennis teams continued to improve in 2013-2014 under the leadership of adjunct coach Dianne O'Neill. O'Neill has led the tennis squads since 2007.

"The teams continue to grow stronger every year," O'Neill said. "Additionally, they continue to be recognized nationally among the top academic teams. I am excited about the future of the ECCC tennis program."

The Warriors finished 8-8 overall in MACJC (Mississippi Association of Community and Junior Colleges) competition and the ECCC women completed the season with a 5-11 record.

Freshman Javon Yarbrough advanced to the semi-finals of the state tennis tournament

The ECCC men's team swept matches against Hinds, Northeast and Holmes. They split a pair of decisions with Northwest and also won a single match against Co-Lin.

The Warriors fell twice each to Mississippi Gulf Coast, Meridian and Itawamba community colleges. They also were defeated by Jones County Junior College in a single match.

The Lady Warriors swept decisions against Northeast Mississippi and Holmes community colleges and split with Northwest Mississippi Community College.

East Central's women fell in single matches against Copiah-Lincoln Community College and Jones County Junior College. They were swept by Hinds, Mississippi Gulf Coast, Meridian and Itawamba community colleges.

The 2013-14 East Central Community College golf team had another impressive season, with its best finish of the year coming during the Hinds Community College Invitational Tournament where they finished fourth overall.

During that same event, sophomore Sawyer Williams of El Dorado, Ark., finished second overall and was named to the All-Tournament Team.

At the end of the season, Williams earned 2nd Team All-State honors and qualified to participate in the NJCAA Golf Tournament held in Plymouth, Ind. He recorded rounds of 77-82-80-77 for a 316 total and finished 63rd in the 128-person field.

"I'm very proud of Sawyer for the success he has had playing golf at ECCC the past two years," said Golf Coach Chris Clark. "I am even more proud of him for being the outstanding young man that he is. East Central Community College could not have had a better representative in the NJCAA National Golf Tournament than Sawyer Williams. We will miss him and wish him the best of luck in all his future endeavors."

Clark added, "Sawyer, along with Aaron Tucker of Carthage and Taylor York of Choctaw, was very instrumental in the success we had during the year. All three of these young men represented ECCC well and will be missed."

During the Spring Sports Banquet, Williams and Aaron Tucker of Leake Central were co-recipients of the Scholar Athlete Award and Williams was recognized as Most Valuable Player.

Sophomores receiving framed EC letters during the banquet included Williams, Tucker, York and Sam Williams of Newton County Academy.

Additional team members and their respective high schools included: Jonathan Amis, Newton County High School; Michael Jones, Forest High School; Karlton Ginn, Franklin (La.) High School; and Kirk Stonestreet, Kosciusko High School.

## ONE Goal

### From Staff Reports

Even though the 2014 Warrior Soccer team didn't have the season they dreamed of, they still displayed a "never-die" attitude. The team had an overall record of 5-10-2. In 17 matches, the Warriors either led or were tied in 13 of them at halftime. However, it was the second half that proved to be the difficult time for the Warriors.

Despite its record, the team performed well defensively, according to Head Coach Kenneth Thompson. EC had one of the better defensive squads in the league, he said.

"Defense may win championships, but you still have to score goals to win the game," said Thompson.

Some highlights of the season include a sweep of Southwest and earning a win plus a tie against both Copiah-Lincoln and Meridian community colleges. Since MCC reentered the MACJC in 2012, the Warriors have not lost a match to their rivals. One of the biggest reasons behind the team's success was the remarkable leadership displayed by each sophomore, Thompson said.

"They laid a foundation for the freshmen to follow in the upcoming 2015 season."

Members of the Warrior soccer team received many awards at the 2014 Fall Sports Awards Banquet. Award winners and their respective high schools included midfielder Jordan Alonso of Newton County, Warrior Award; keeper Matt Sykes of Heritage Academy, MACJC All-Star and honorable mention MACJC All-State; midfielder Jackson Oliver of Clinton, hustle award; defender Tyler Cook of Daphne (Ala.), defense award, team most valuable player, and MACJC All-Star; midfielder Eliud Alvarez of Forest, Golden Boot Award, team captain award and MACJC All-Star; defender Dalton Smith of Florence, academic and team captain awards, and MACJC All-Star; defender Kellen Clark of Newton County, honorable mention MACJC All-State and forward/keeper Jacob Johnson of Destrehan (La.), honorable mention MACJC All-State.

In addition, sophomore defender Cook was named to MACJC All-State soccer team. He scored the winning goal in leading the MACJC North Division All-Stars to a 2-1 victory over the South squad on Nov. 17, 2014, at Holmes Community College in Ridgeland. Cook is a product of Daphne (Ala.) High School.

The Warriors may have not won every game, but they did earn the character to help overcome all their obstacles, Thompson said.

Sophomore goalkeeper Matt Sykes said, "It was definitely a season to remember. We had some disappointments, but we also had our joy. We definitely were disappointed with how we finished the season, but we showed some heart. I honestly believe we had one of the best squads in the state, especially since we had four sophomores get selected to the All-Star game. I'm going to miss EC, but I learned a lot to go from here and continue my career."

## ONE Record

By **KAYLEE YATES**, Staff Writer

The most successful women's soccer season in school history was recorded for the Lady Warriors in the 2014 campaign. They posted a 12-4-2 overall record under head coach Gray Massey, the best season since the program's inception in 2005.

The squad posted a 12-3-2 overall mark during regular season action and qualified for post-season play by finishing second at 5-1-2 in the MACJC North Division.

"This year was a fantastic season for our program," said Massey. "I am very proud of what these girls were able to accomplish. However, the bar has definitely been raised and we are already looking forward to having an even better season in 2015!"

In addition, this was the first season that the Lady Warriors were able to play on the new synthetic turf field in Bailey Stadium.

Freshman forward Lacey Field said, "I couldn't have asked for a better opportunity to help beat countless records for EC! We were truly 'living the dream.' "

The talented squad featured several players who finished among top scorers in the league.

Allie Turner recorded 12 goals and five assists for a total 29 points. Turner is a freshman midfielder from Horn Lake.

Ashlan Culberson registered nine goals, four assists and 22 points. Culberson is a sophomore forward from Brandon.

Tamia Cavett posted six goals and 12 points. Cavett is a freshman forward from Murrah High School in Jackson.

Three members of the East Central Community College women's soccer team were named to the MACJC All-State team following the successful 2014 campaign.

Honorees included Culberson, Alana Walker, a freshman goalkeeper from Pascagoula; and Turner. Culberson was also selected on the MACJC All-Star North Division squad.

"I am very pleased that we were able to place three players on the All-State team," said Massey. "These three ladies as well as the rest of the team have helped lay a foundation that is going to take this program to unprecedented success."

Award winners and their respective high schools included: Turner, Golden Boot Award, team most valuable player and MACJC All-State; midfielder Megan Yarbrough of Center Hill, hustle award; Culberson, academic and team captain awards, MACJC All-State and MACJC All-Star; defender Pashien Kelley-Johnson of West Harrison, defense award; Walker, MACJC All-State; defender Mikayla May of Newton County, Warrior Award; and defender Tesia Keith of Corinth, MACJC All-Star.

The East Central Community College Warriors fell 10-2 in the season home finale with Pearl River Community College. EC finished 3-6 overall and 1-5 in the Mississippi Association of Community and Junior College South Division under second-year head coach Ken Karcher.

Although the Warriors had a difficult season, they were still in the "rebuilding" phase and were able to conquer three key victories, including a Homecoming win against Jones County Junior College. The Warriors also defeated Coahoma and Holmes community colleges.

"We had young guys in multiple positions," said Karcher about the season. "We have a freshmen-laden team. We struggled all year at quarterback with turnovers. You can't do that ... they are young guys who need to improve, and that's my job."

Karcher complimented the Warrior defense.

"Our defense did a very good job all year outside of one game (Copiah-Lincoln)," Karcher said. "The defensive coaches have done an outstanding job this year, and our defensive line play does not surprise me."

Sixteen sophomores completed their careers as Warriors. They included quarterback Ethan Hamilton of Noxapater, wide receivers Xavier Willis of Newton County and Jimmy Cockrell of Columbus; running backs Marquis Hedge of Forest Hill and Lamarcus Franks of Greene County; defensive backs JaDerrick Farrow of Bleckley County (Cochran, Ga.), Raphael McClain of Starkville and Kenadaira "Junior" Watts of Newton; linebackers Grant Landrum of Sumrall, Thomas McCool and Darrion Burnside, both of Neshoba Central; long snapper Trent Haden of Sumrall, offensive lineman Marcus Johnson of New Hope, defensive linemen Tyler Pace of Newton, Kendrick Maxwell of Houston and Darryl Rogers of Laurel; and filmer Tyler Armistad of Caledonia.

"I just told them in the locker room, that I am very proud of those guys," Karcher said following their season finale. "Those guys laid a foundation and a mentality that's going to carry this program to where it needs to go."

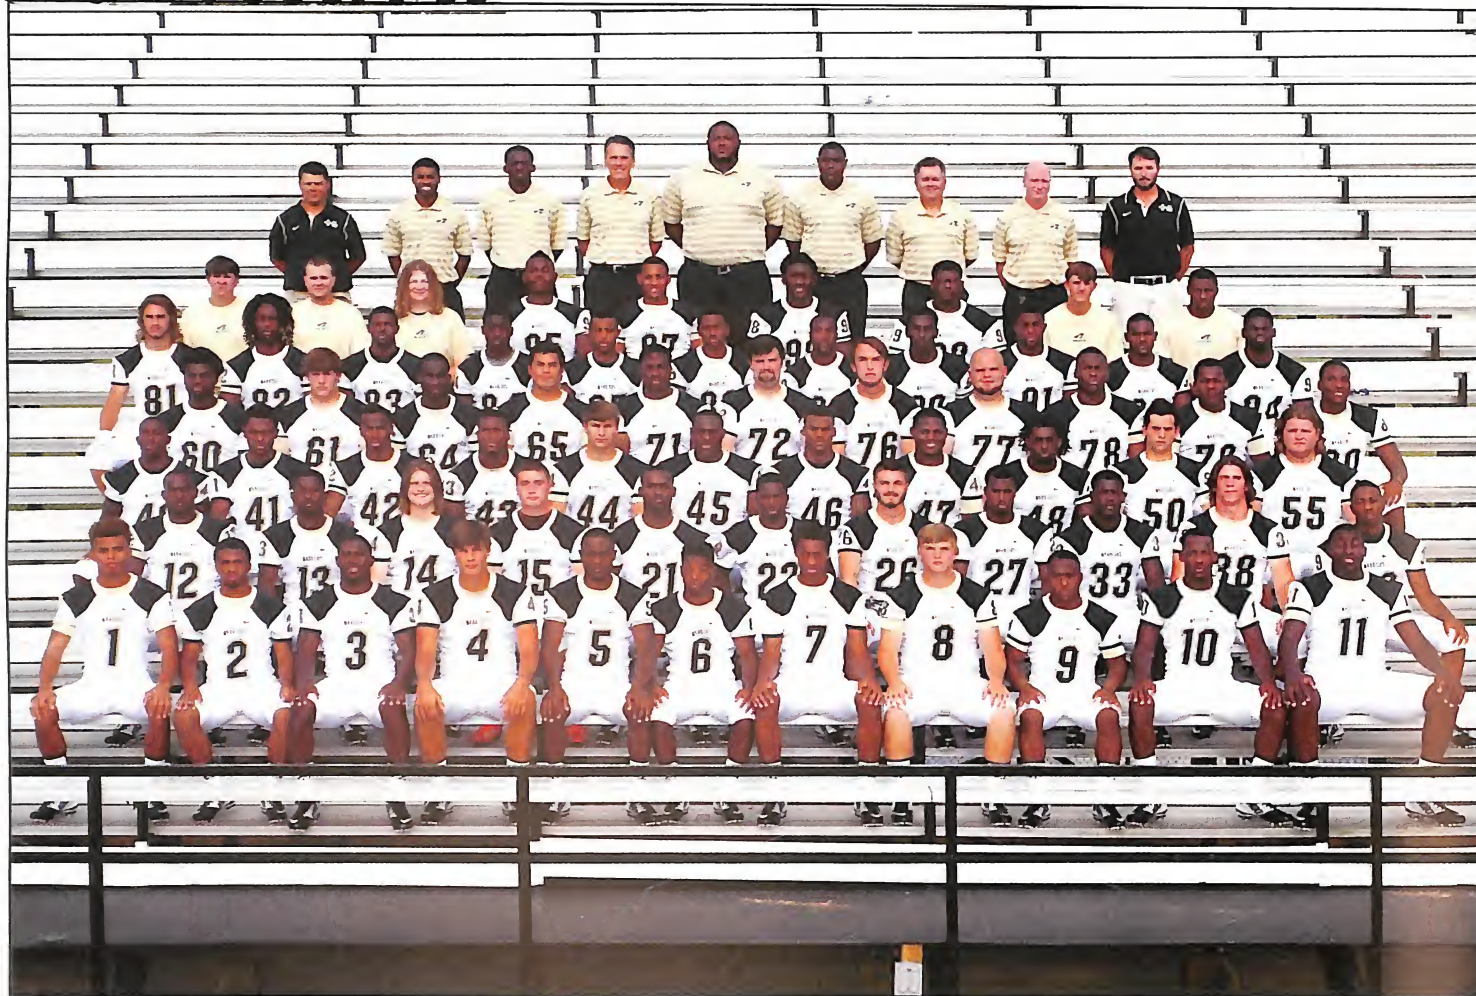

Several members of the team received honors following the 2014 campaign. Franks, defensive back Austin Balthazor and Pace were named to the MACJC All-State Second Team.

In addition, the Warriors were well represented in the MACJC All-Star Football Classic. Four standouts were named to the South squad including: Franks, Johnson, McClain and Farrow. Franks helped lead the South squad to a victory in the classic held Dec. 4, 2014. For his efforts, Franks was presented the Keith Daniels South Offensive MVP Award.

Receiving team honors were Haden, academic award; Pace, most improved defensive player; Farrow, defensive captain; Franks, most valuable player and offensive captain; and Johnson, most improved offensive player.

# New Turf Field

ONE Giant Step

## **From STAFF REPORTS**

East Central Community College laid a new synthetic turf field at Bailey Stadium.

A ribbon-cutting was held to officially unveil the new synthetic turf on Warrior field during the annual "Meet the Warriors" Pep Rally/ Player Introductions on Aug. 25, 2014. ECCC President Dr. Billy Stewart provided comments to a packed stadium prior to the ceremony and noted the turf installation would not have been possible without the support from former NFL coach Tony Dungy, whose appearance earlier in 2014 on campus and at the Neshoba County Coliseum in Philadelphia netted approximately \$160,000 for the \$727,000 project.

ECCC administrators have said the installation of synthetic turf is the first step in the vision for the future of the college's Athletics Department.

"I believe the addition of our new synthetic turf football field communicates the message

that we are serious about providing quality facilities for our student athletes and our desire to be competitive in the football arena. It demonstrates our commitment to the entire athletic program," said Dean of Athletics and Personnel Services Chris Harris.

Head Football Coach Ken Karcher said, "The new turf field is a great recruiting tool to attract prospects and it provides an all-weather surface to prepare the prospect."

The 2014 Warrior football team will go down in history as the first team to play on the new turf field.

Warrior sophomore defensive lineman Tyler Pace said, "I like the turf. It gave us pride and confidence. It also made us feel important."

In addition to football, the new turf field is equipped for soccer play.

Assistant Dean of Athletics, Head Men's Soccer and Assistant Women's Coach Kenneth Thompson said, "Having the turf field gives soccer more

opportunities to host bigger events on campus such as high school tournaments and camps. As for our program it gives us much more flexibility in scheduling. Wet weather no longer means postponing a match. Also, it gives us the ability to hold matches at night which allows more fans the opportunity to come out to the matches. Having two game fields, where one is grass and one is turf, benefits us because many of our recruits play on turf in high school. The turf game is somewhat different than the grass game in that it is a little faster and the ball rolls truer. Our players who have played on turf in the past have an advantage when we play teams that have players that have not played on turf that much."

Women's Head Soccer Coach Gray Massey agreed and described the field as a "tremendous addition for the athletic

program."

"We are excited to be able to host many opponents as well as area high schools and allow them the opportunity to see what EC has to offer," he said.

Sophomore Warrior soccer mid-fielder Jordan Alonso said, "I have played on turf fields many times for high school and club teams, but knowing that we were going to be the first Mississippi Association of Community and Junior College team to play on turf made it special."

Alonso described the first game on the new turf field as "extra special" because it was the first-ever ECCC night soccer game.

"It was nice to see more fans come out than the usual," he said.

## ONE Spirit

By KAITLIN SMITH, staff writer

East Central Community College's 2014-15 cheerleading squad cheered on the Warriors during their fall football season and spring basketball season under the direction of head coach Pauline Karcher and captain Mak Rowzee.

Karcher is the wife of head football coach Ken Karcher. The 2014-15 cheerleading season was Mrs. Karcher's first full year leading the squad. She began her helm over the squad in the spring of 2014.

Rowzee stated, "Cheerleading has always been a passion of mine, and it has been a dream since I was a little girl to cheer at the college level. It has been an honor to cheer with this squad that has become like family."

The Warrior Cheerleaders showed spirit at the Neshoba County Fair, Meet the Warriors,

Homecoming Pep Rally, and Haunted House of Hoops.

The 2014-15 squad was the first to be divided into co-ed and all girl squads at East Central Community College.

Co-ed squad members included: Shelby Hemphill and Hunter Brown, Leake Academy; Mak Rowzee and Adam Porter, Newton County; Cody Warren, Neshoba Central; Warner Parkes, Nanih Waiya; KeriAnn Mayfield, Union; and Madison Pettigrew, Scott Central.

All-women squad members were: Natalie Lyles, Alana Kron, and Haleigh West, Newton County; Lauren Peterson and Kaitlyn Patrick, Forest; Layne Lepard and Lauren Coward, Neshoba Central; and Kaitlin Smith, Scott Central.

The East Central Community College Warrior basketball squad completed the 2014-15 season with a 14-12 overall record under second-year head coach Robert Thompson and assistant coach Devarus Walker, after falling 73-64 to Holmes Community College in the semifinals of the Region 23 Tournament held at Mississippi College's A.E. Wood Coliseum on the Clinton campus.

The Warriors defeated Jones County Junior College, 67-64, in first round action of the Region 23 Tournament to advance to the semifinals. Earlier they were defeated 62-59 by Holmes Community College in first-round action of the Mississippi Association of Community and Junior Colleges tournament.

The Warriors completed the regular season 13-10.

Sophomore team members who were recognized during the home finale included Quinton Campbell, a guard/forward from Mary G. Montgomery High School in Mobile, Ala., Kristian Clark, a guard from St. Martin, student assistant Racine Talla, a product of Oak Dale Christian Academy in Tuscaloosa, Ala.; Monte Bowie of Morton, Ramone Tate of St. Stanislaus, Demond Morgan of Morton, Keon McKinney of West Point and DeMarcus Jones of Jackson Terry.

Campbell was selected to represent ECCC in the Mississippi Association of Community and Junior Colleges All-Star Game. Clark was selected as an alternate.

Several members of the Warriors basketball squad received accolades following a successful 2014-2015 season. Warrior honorees included Campbell, first team all-state and all-region 23; and guard Prince McDaniel of Pascagoula High School, second team all-state.

The East Central Community College Lady Warriors completed season play with a 20-6 overall record and advanced to state and region tournaments under third-year head coach Crandal Porter and assistant coach Kiara Ruffin.

Tashi-Ana Thompson pumped in 25 points to lead the East Central women's basketball team in scoring, but it wasn't enough as the Lady Warriors fell 90-85 to Itawamba Community College in first-round action of the Region 23 Tournament held at Mississippi College's A.E. Wood Coliseum on the Clinton campus. Thompson, a 5'8" sophomore guard, is a product of Miller Grove High School in Lithonia, Ga.

During play in the Mississippi Association of Community and Junior Colleges (MACJC) tournament hosted by Copiah-Lincoln Community College in Wesson, the Lady Warriors defeated Holmes Community College 90-69 Feb. 23, 2015, in first-round action. However, the East Central women fell to Meridian Community College 79-77 in the semifinals ending their state tourney action.

The Lady Warriors completed the regular season 19-4 overall and 10-4 in the MACJC South Division.

Lady Warriors who received recognition included Jaleshia Jones, a guard/forward from Wayne County High School, First Team All-State; Thompson, Second Team All-State; and Shakerya Morrison, a forward/center and product of East Wake High School in Wendell, N.C., Second Team All-State and First Team All-Region 23.

Guard Tynika Bender of Newton and Jones was selected to play in the MACJC All-Star Game hosted by ECCC. Morrison and Thompson were selected alternates.

## ONE Final Letter

ONE year. ONE goal. ONE opportunity. ONE chance. ONE decision. ONE CHOICE.

Life. It's all about the choices you make. I made the choice to join the East Central Community College family in the fall of 2013 after graduating from high school. My assistant editors and loyal staff members made the choice to join me in this journey as we tried to capture some of the moments during the 2014-15 school year. This would not have been possible without the help of a few special people.

First and foremost, I would like to thank God and give Him all the glory. With Him all things are possible. There would be no way I could have managed my time and made the right choices without Him.

Next, I would like to thank Mrs. Gennie Taylor for all her help and support throughout the year. Thank you to the assistant editors and staff members who stayed by my side until the end. This book is a result of all of our hard work.

I would also like to thank Maria McLeod, Karen Robertson, Bill Wagnon, and Bubby Johnston from the Public Information Office for all of their help. And special thanks to RT Purvis for taking pictures and Sean Mowdy for all of your help. Also, thanks to Keli Jo Barrett and the Student Services staff for always helping with information and photo IDs.

Thank you Dr. Billy Stewart for leading East Central and always reminding us to do things the "EC Way—Excellence with Class."

Last but certainly not least, I would like to thank my mom and dad for always supporting me here at EC in all I have done. I know I would not be the person I am today without the two of you.

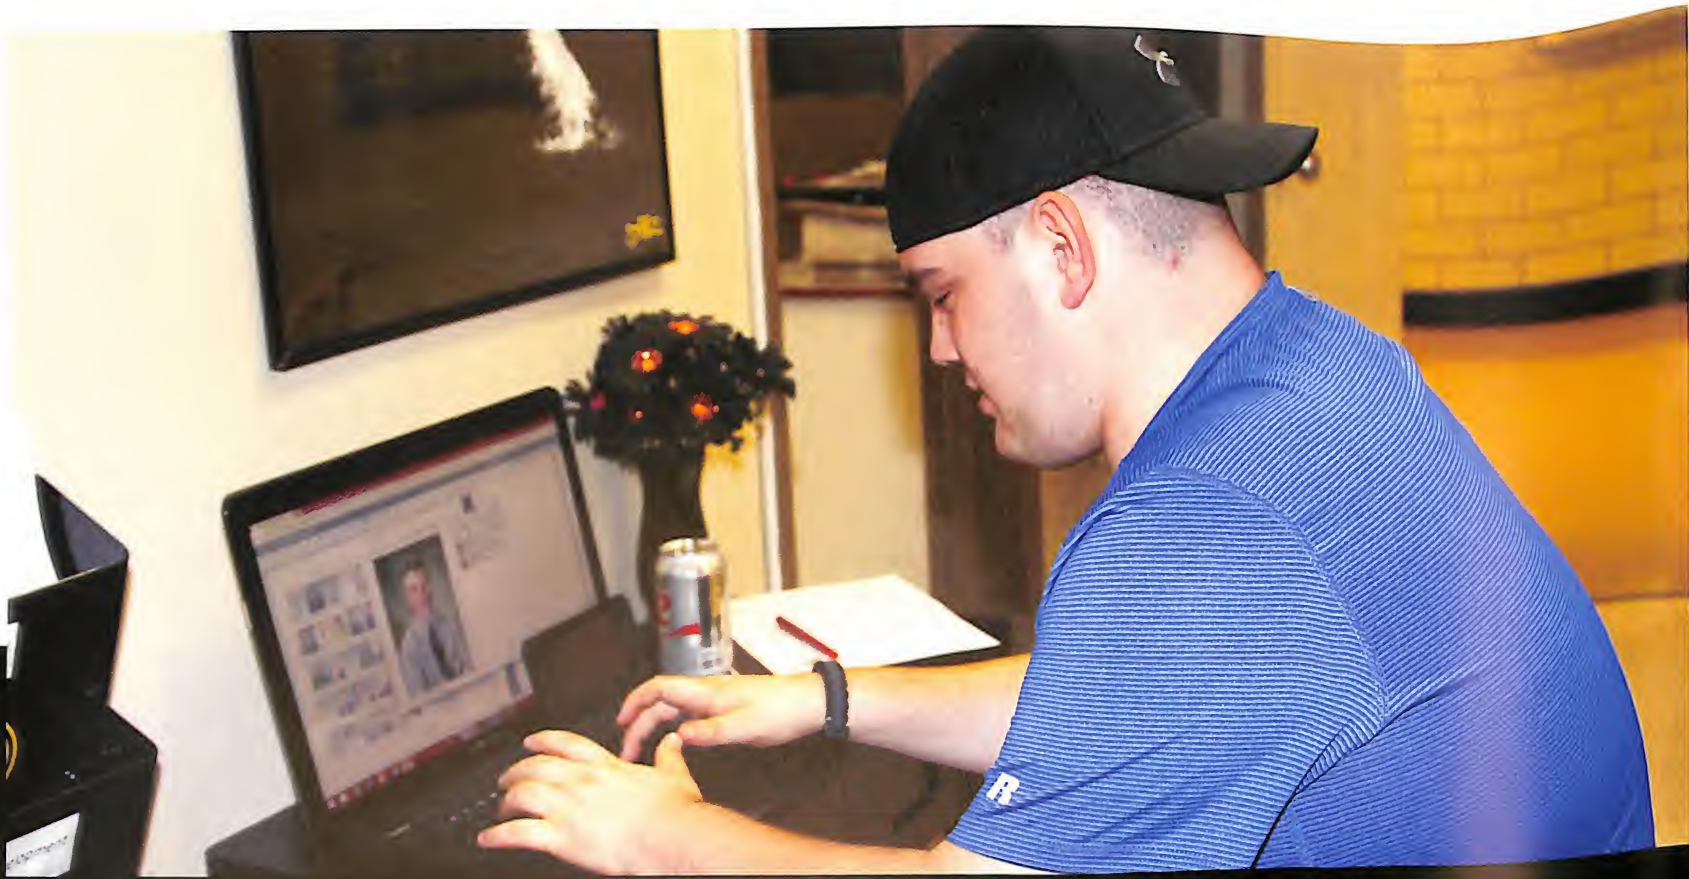

To all students and employees of East Central, take the time to enjoy the years you spend here. I hope one day everyone can look back and say, "I'm glad I made EC my ONE CHOICE."

## ONE Summary

In 1928, East Central Junior College had evolved from the Newton County Agricultural High School to a junior college supported by Leake, Neshoba, Newton, Scott and Winston counties. More than 30 major facilities were added to the original three buildings.

Originally, the college employed two teachers, Mrs. W.W. Newsome, who taught English, Spanish and history, and Mr. Robert Marshall, who taught chemistry and mathematics. Today, EC has grown to an enrollment of 2,544 students and more than 200 faculty and staff members.

The *Wo-He-Lo*, which stands for

Work-Heart-Love, has been the official yearbook of the college for 74 years. Jostens printed the 74th edition with the theme of "ONECHOICE," as was decided upon by the *Wo-He-Lo* staff.

The theme and cover was inspired by the college being selected as the No. 1 community college in the state by *The Clarion Ledger* newspaper in 2014.

The book uses the font families: Darnell, Sha Sha, Helvetica and Litho Antique. All photographs were taken by the Public Information office, *Wo-He-Lo* staff members and other contributors, all using digital cameras.

This year's staff consisted of 16 students. The Student Publications Lab is located on the bottom floor of Huff Auditorium. The *Wo-He-Lo* staff is under the direction of Mrs. Gennie Taylor, who is in her seventh year as publications coordinator. The cost of the *Wo-He-Lo* is included in every full-time student's tuition and fees.

There are 220 pages in a 9x12 full color book. The *Wo-He-Lo* is distributed on campus following Award's Day. This year EC printed 2,000 copies of the *Wo-He-Lo*.
